

## PART TIME (M/W/X) **GRAPHIC DESIGNER**

Our design team creates videos and renderings for medical technology. We also take care of CADS' brand identity, employer branding and employee retention. In order to cope with the growing team and project projects, we are looking for a part-time support in our small marketing department.

 **4320 Perg, Austria**

 **€ 2.923-4.215 (at 38,5h)**

 **Homeoffice 50-75%**

### Your Skills

- You have a keen sense of design & typography and are interested in design trends.
- You have an eye for detail, especially with regard to image and video editing.
- You are skilled in using the common graphics programs of the Adobe Creative Suite.
- You have experience in video editing (VFX, motion graphics, compositing).
- You work in a structured, organized and proactive manner.
- You have graduated in graphic or media design and/or ideally already have professional experience.
- You are communicative and can imagine communicating with customers.
- You have good written and spoken English skills.
- You are a team player and enjoy working closely with your colleagues.
- You are interested in a wide variety of tasks.

### Your Tasks

- Creation of videos and product images for medical technology (initially supporting, later also independently). Specifically:
  - Coordination with the customer and subsequently our 3D artist.
  - Contributing ideas to the creation of storyboards and concepts for videos, graphics and renderings.
  - Checking compliance with customer CI and specifications.
- Post-production of 3D animations/renderings by our 3D artist (image editing, color adjustments, VFX, logo animations or motion graphics, editing, timing, text overlays, ...)
- Support with internal marketing. Specifically:
  - Branding, event planning (trade fairs and internal events), website maintenance, employer branding, design of give-aways, creation of presentations, etc.

### We Offer

- Varied and exciting projects in the the field of medical technology
- Flexible working hours (home office option) and independent working in a young team
- Versatile technical projects in medical technology - with your work you help a lot of people every day
- A pleasant working atmosphere
- Possibility for personal development and training
- Exciting employee events
- Good coffee, chess and table football
- Free on-site parking
- Close to the train station

### Salary

The annual salary is **EUR 40.922 bis 59.010 gross on a full-time basis** according to the IT collective agreement.

### About CADS

CADS GmbH, based in Perg, in collaboration with the KLS Martin Group, is the world's leading medical device manufacturer for surgical innovation with its visionary software solutions for professional use.

Digital Health is our Passion. This passion has been the basis of our success for 15 years and makes us a very special employer. We create groundbreaking software solutions that benefit patients and physicians worldwide.

We are constantly working on new developments and industry solutions and see the ideas, skills and potential of our employees as a central component.

You would like to join us on this path and contribute to helping people with your work? Then we would be happy to get to know you and welcome you to our team.

Would you like to become part of our team?
