

FULL TIME (F/M/X) **PRODUCT LEAD**

To support the continued development of our innovative software solutions in the field of medical technology, we are looking for a dedicated professional to join us as a Software Product Lead (f/m/x) with relevant industry experience.

 **4320 Perg /
4053 Ansfelden**

 **from 3.843€
(at 38,5h)**

 **40%
Homeoffice**

Your Skills

- You have experience leading IT projects – ideally in a regulated medical environment (e.g. ISO 13485, IEC 62304).
- You're passionate about defining products and pro-actively engaging with stakeholders to gather and align requirements in a structured way.
- You hold a degree from a technical high school, university of applied sciences, or university, or have a solid technical education.
- You have excellent German and English language skills.

Your Tasks

- Responsibility for product leadership of a forward-looking software product in the field of medical technology.
- Conducting market analyses to identify trends, opportunities, and the competitive landscape in surgical navigation.
- Clear definition of product vision, positioning, and strategic roadmap aligned with market needs and business objectives.
- Leading requirements engineering, translating clinical and market insights into development specifications.
- Close collaboration with the internal development team and external partners.

We Offer

- Exciting and diverse projects in the field of medical technology
- Flexible working hours with remote work options and independent work in a young team
- Friendly and supportive work environment
- Engaging team events
- Opportunities for personal growth and professional development
- Great coffee, chess, and table soccer
- Free parking in Perg and Ansfelden
- Convenient locations near train stations in Perg and Ansfelden
- Company bike program
- Meal subsidy („Schrankerl“)
- Workation opportunity (up to 2 weeks per year, subject to agreement)
- Group health insurance with premium benefits

Salary

The annual salary is **53.802€ gross on a full-time basis** according to the IT collective agreement.
Willingness to pay more based upon qualifications and experience.

About CADS

CADS GmbH, based in Perg, in collaboration with the KLS Martin Group, is the world's leading medical device manufacturer for surgical innovation with its visionary software solutions for professional use.

Digital Health is our Passion. This passion has been the basis of our success for 15 years and makes us a very special employer. We create groundbreaking software solutions that benefit patients and physicians worldwide.

We are constantly working on new developments and industry solutions and see the ideas, skills and potential of our employees as a central component.

You would like to join us on this path and contribute to helping people with your work? Then we would be happy to get to know you and welcome you to our team.

Would you like to become part of our team?
Then send us your application to:
